Gesmeed en gepolijst

Gesmeed en deels gepolijst

Gesmeed en voorzien van een epoxylaag

Because digging can be hard work, strong tools are a must. That is why Spear & Jackson use only the best steel that can be forged, hardened and rolled. That strength, combined with long, tough, weatherproofed wooden handles make Spear & Jackson spades not only highly durable, but also great to use.

SPEAR & JACKSON landscaping & fencing

The growth of gardens as an 'outdoor room' has led to a great increase in interest for landscaping products. In response Spear & Jackson now offer a broad range of specialised fencing tools, all offering the strength and engineering excellence you would expect with Spear & Jackson products.

Artikelnummer	Omschrijving	Head / Bladmaat sizer	Length
PHAUG	Post hole auger	Screw L 380mm, Screw dia 35mm	Overall 1105mm
PHD-WH	Post hole digger	255 x 125mm	Shaft - 1220mm
DSH/WH	Post shovel holer	355 x 220mm	Overall - 1690mm
1047MY	Tree planting spade	130 x 273mm	Handle - 710mm
FG-HD54	Fencing grafter	276 x 144mm	Overall 1105mm
RMAUL	Rubber maul	Weight - 6kg	Overall 1060mm
PHR5	Post hole rammer	Steel body - 165mm	Overall 710mm

SPEAR & JACKSON landscaping & fencing

PHAUG
post hole
auger

- For easy, non-mechanical digging of fencing post holes up to 6" (150mm) in diameter
- Long durable yet lightweight tubular steel shaft for ease of use
- Hardened blade cuts through most types of soil and clay
- Overall length – 44" (1105mm)
- Comfortable wooden handle provides a firm grip

PHD-WH
post hole
digger

- For producing deep, narrow, vertical holes minimising the need for backfill
- The steel oval shovel blades quickly and efficiently remove soil
- Hardened steel blades
- Ash wood handles
- Weatherproofed hardwood handles for greater durability

DSH/WH
post shovel
holer

- Hardened and tempered carbon steel blades
- Ash shafts
- Blade size: 355mm (14") x 220mm (8.5")

1047MY
tree
planting
spade

- Epoxy coated head for reduced soil adhesion
- Weatherproofed hardwood shaft
- Heavy duty metal hilt

FG-HD54
fencing
grafter

- For digging narrow, deep holes for fencing posts
- Heavy duty tubular steel handle for maximum strength and efficiency
- Extra thick shovel blade for durability

RMAUL
rubber
maul

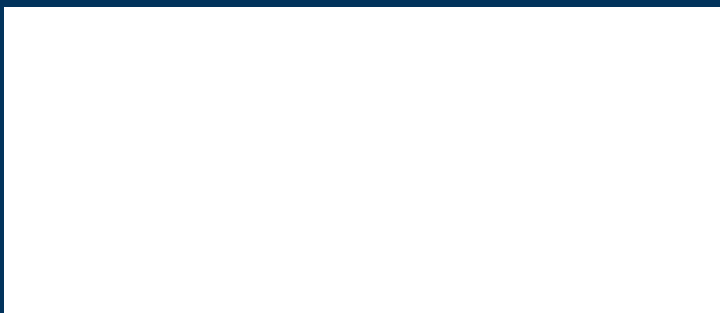

- For laying and levelling paving stones
- Large cylindrical head made of high grade rubber
- Comfortable wooden handle provides a firm grip
- Weight – 6kg

PHR5
post hole
rammer

- For driving fencing posts up to 6" (150mm) diameter into heavy ground
- Two large handles for ease of use
- Strong tubular steel body with solid metal end cap for maximum strength
