CELEBRATING  
OVER  
**200**  
YEARS  
OF EXPERIENCE

## PROFESSIONAL WOODSAWS

Spear & Jackson have been making saws for well over 200 years. The wealth of experience gained over this long time is just one of the many reasons why Spear & Jackson saws have a unique reputation.

The Spear & Jackson **PREDATOR™** Series is a range of hardpoint saws especially created to meet the most demanding professional. Designed for four specialist applications - **First Fix, Second Fix, Laminates** and **UPVC** - and with a multi-purpose **Universal**, all feature unique Duralife technology to ensure outstanding durability and lasts at least 20% longer than the best of the rest. The latest editions to the Series are the **Predator X Fleam Tooth, Triplefast** and the **Garden Saw. PREDATOR™** saws are quite simply the best saws you can buy!

PROFESSIONAL

PREDATOR™

PROFESSIONAL

Predator X

Part No	Product Description	Size	Finish	Pack Size
B98X	Predator X - Fleam Teeth	22" x 8pts	Medium	10

- Fleam teeth for the fastest cut across the grain on both the forward and reverse stroke
- Fast cut - rapid, clean cutting action
- Rigid blade minimises 'whip' and vibration
- Ideal for use on timber, hardwood, chipboard & MDF
- Comfortable handle - Suregrip® soft-feel ergonomic grip and finger guide for accuracy, also incorporating a useful 45/90° angle guide

Universal

Part No	Product Description	Size	Finish	Pack Size
