

GIVEAWAYS

Just for you

CUTTING EDGE

If your grass is knee-high and in danger of taking over the garden, it's time to call in the horticultural cavalry. The Black & Decker® GL701 Grass Trimmer is powerful, easy to use and makes light work of heavy overgrowth. Its edging function also guarantees a neat finish. We have eight to give away, each worth £44.99.

• To enter, call 0901 676 4665, or text the word **homebase13** then a space and your name and address, to 81800.

YOUR OWN PERSONAL EXPERT

For advice on gardening dilemmas, consult the world's bestselling gardening series. *The Garden Revival Expert* tells you how to rejuvenate your garden, while *The Pest & Weed Expert* explains how to tackle pests. We have 16 sets of the two books to give away. • To enter, call 0901 676 4666, or text the word **homebase14** then a space and your name and address, to 81800.

GET TOOLED UP

For professional results, every gardener needs the right tools, and who better to rely on than horticultural experts Spear & Jackson? We have 25 tool sets to give away, each comprising a trowel and fork, worth £19.98 per set. • To enter, call 0901 676 4664, or text the word **homebase12** then a space and your name and address, to 81800.

SAVE WATER

The Hozelock Aquapod system is the easiest and most efficient way to water your garden plants. It only takes five minutes to install. The system is flexible and expandable, and could save up to 90 per cent of water you'd use by hand-watering. We have 15 Aquapod 5 sets to give away, worth £26.99 each. • To enter, call 0901 676 4667, or text the word **homebase15** then a space and your name and address, to 81800.
